

KANNUR BRANCH OF ICAI (SIRC)

LEARN TO RISE

100%

Professionalism

Committed to the highest standards

Excellence

Striving for excellence in accounting and finance

Growth

Roadmap for growth and effective service

The Institute of Chartered Accountants of India (ICAI) Kannur Branch is dedicated to serving its members, students, and the wider business community with unwavering integrity.

Vision & Mission

Vision

To be a leading regional hub of excellence in accounting, finance, and corporate governance by fostering innovation, knowledge-sharing, and professional development among Chartered Accountants and stakeholders.

Mission

1. To empower Chartered Accountants with cutting-edge knowledge and skills through continuous professional education and training programs.
2. To enhance the professional capabilities of students and aspirants through high-quality educational support and mentoring.
3. To promote ethical standards and corporate governance among professionals and businesses.
4. To facilitate networking opportunities and industry collaboration to strengthen the local business ecosystem.
5. To leverage technology for improving accessibility, efficiency, and service delivery for our members and students.
6. To contribute to the socio-economic development of the region through financial literacy programs and corporate social responsibility initiatives.

Professional Development

1 Seminars & Workshops

Organizing regular seminars, workshops, and conferences on emerging trends in accounting, taxation, auditing, and financial management.

2 Continuing Professional Education (CPE)

Enhancing CPE activities to ensure members remain updated with regulatory and technological advancements.

3 Online Learning Platform

Establishing an online learning platform to provide members with remote access to quality education.

Student Empowerment & Support

Coaching & Mentoring

Strengthening coaching and mentoring programs for CA aspirants to improve success rates in examinations.

Knowledge Center

Establishing a knowledge center/library with modern resources and study materials.

Career Guidance

Hosting career guidance sessions in schools and colleges to promote the CA profession.

Technology & Digital Transformation

Implementing digital initiatives such as a dedicated website and mobile app for real-time updates and event registrations.

Encouraging members to adopt technological advancements such as Artificial Intelligence (AI), blockchain, and data analytics in financial management.

Hosting webinars and virtual meetings to enhance engagement with geographically dispersed members.

Networking & Industry Collaboration

Interactions

Facilitating interactions between Chartered Accountants, industry experts, regulators, and policymakers.

1

Collaboration

Collaborating with banks, financial institutions, and government agencies to provide better financial services and advisory support to MSMEs and startups.

2

3

Business Conclaves

Organizing business conclaves, panel discussions, and networking events.

Ethical Standards & Governance

1

Workshops

Conducting workshops on ethics, corporate governance, and regulatory compliance.

2

Code of Ethics

Encouraging members to adhere to ICAI's Code of Ethics and professional conduct.

3

Grievance Redressal

Strengthening grievance redressal mechanisms for upholding professional integrity.

Community Engagement & Social Responsibility

Financial Literacy

Running financial literacy and awareness programs for the general public.

CSR Initiatives

Conducting CSR initiatives, including scholarships for underprivileged students pursuing CA studies.

Sustainability

Promoting sustainability and environmental consciousness through green initiatives.
